**Claimant:**

**David Carroll Stephenson**

**Respondent:**

**Harley Lapin**

c/o U.S. Dept. of Justice  
950 Pennsylvania Ave SW  
Washington DC 20530.

**SUMMARY:**

**Claim Value: US\$10,000,000.00\***

During February, 2005, Harley Lapin, herein Respondent, when Respondent knew or should have known that the "court" had no judicial powers, allowed or caused to be allowed and refused to prevent or neglect the imprisonment of the man , causing David Carroll, Stephenson, herein Claimant, damages in a sum detailed below.

Respondent subsequently placed, or caused to be placed, Claimant into the possession of Dennis R Smith, and is responsible and liable for Smith's conduct.

*Claim # 21JUN11-HL001*

*Page 1 of 2*

Instead of providing a due process remedy relating to Claimant's claims, Respondent refused or neglected to prevent Dennis R. Smith from placing Claimant into "segregation" without any due process of law, while denying claimant access to a law library; failed to compel Dennis R. Smith to respond to the administrative habeas corpus pleading, instead allowing or causing Claimant to be held nearly incommunicado in segregation, and without effective access to a law library.

Respondent effectively ratified and condoned Dennis R. Smith's deprivations of Claimant's rights under color of law, evidencing his willful and malicious intent to dishonor and default to claimant's claims.

**RESPONDENT IS IN DEFAULT.**

**SUM OF CLAIMS VALUE:** The sum **TOTAL** value of all claims is  
(ten million United States Dollars)

**US\$10,000,000.00\***
